Stuve
Studierendenvertretung der
Universität Erlangen-Nürnberg

Welcome!

Student‘s representation at FAU (short: Stuve)

Questions?:

- Contact the FSI/FSV at your faculty:
  - **stuve.fau.de/fsien** or **stuve.fau.de/fsven**
- Contact us directly: **stuve-sprat@fau.de**

Here you can find us:

- **https://stuve.fau.de/**
- Instagram and Facebook **@stuveFAU**

Universität Erlangen-Nürnberg

Who are we?

The student representation is committed to your interests as a student at FAU.

No matter whether on the subject level, university-wide or Bavaria-wide.

Once a year all students elect their representatives in the official committees. These are:

- The **student council**, which works university-wide.
- The **faculty student council** (short: **FSV**), which works within the faculty.

Stuve
Studierendenvertretung der
Universität Erlangen-Nürnberg

Who are we?

Outside the elected committees, Studis are involved with us:

- in the **Stuve working groups** (cross-faculty).
- in **student council initiatives** (**FSI**) (especially for one faculty/department/subject)
- in the **student groups** (open to all)

How does this affect you?

We can help you if:

- There is stress with the professors because the exam date has suddenly been postponed and the material has not been that great.
- You do not know whether it is better to hand in your certificate at the examination office or at the student records office.
- You have had discriminatory experiences at the university, among other students or through lecturers and do not know who to turn to.
- You urgently wanted to know if it is possible to print out the semester ticket again at the ticket machine after you have washed it > you can't, so better buy it online ;)

Universität Erlangen-Nürnberg

How does this affect you?

We are your contact:

- If you want to give feedback, criticism, wishes and experiences about university structures or the Studentenwerk.
- If you want to implement an idea, develop the university, improve and change something.
- If you want to educate yourself politically and learn to work together in a large, grassroots democratic team.
- If you want to discuss, research and plan together with enthusiastic people on a certain topic.
